## **1 INTRODUCTION**

The Stay Safe Steering Group has met on two occasions since I assumed the chair. The group has complied with the Trust's requirement for undertaking commissioning activity and has reviewed the Stay Safe Action Plan and performance indicators. Actions have been identified to ensure that red become green over the next three to six months. The group have divided their agenda into two halves the first half taking business items, the second developing and reviewing practice and process.

## **2 RECOMMENDATIONS**

To accept the findings of the David Warlock report and note the capacity report from Felicity Budgen and Donald McPhail.

## **3 DETAIL**

### **Background**

There has been a significant amount of activity relating to Safeguarding in Southampton. Attached to this report you will find:

1. A capacity report written by Interim Head of Safeguarding for the Chief Executive and Director.
2. The amalgamated agencies response to the Laming Action Plan.
3. The Stay Safe Action Plan and performance indicators.
4. Note there will be a report from Donald McPhail regarding the LSCB.

## **4 PROPOSALS**

1. The recommendations will be taken forward by Stephanie Ramsey, Felicity Budgen and Matthew Greening through a multi-agency task group; this will include involving GOSE and the Strategic Health Authority representative (Angela Muckhopadhyay and Chris Etheridge). Stephanie will set this up and confirm the date of the first meeting.

2. Note the improvements made regarding the capacity and performance in Children's Social Care.
3. The Stay Safe Working Group will regularly update and monitor the multi-agency learning action plan.
4. Note the Stay Safe Action Plan and working arrangements will develop and improve over the coming months.
5. To determine actions following Donald McPhail's report to the Board.
